WEST VIRGINIA LEGISLATURE EXTRA SESSION. GERMAN TONIC

SENATE. SATURDAY, Nov 28, 1888.
The Senate met at 10 o'clock, and was pened with prayer by Mr. Carsksdon, a member of the Senate,
Mr. Workman asked leave of absence or Mr. Slack until next Friday, which was granted. LIVER, STOMACH, OR DIGESTIVE ORGANS,

was granted.
Chapters 85, 91, 92, 93, 94, 95 were read the third time and passed.
Chapter 96, of money and interest, was read the second time, and ordered to its third reading.
Mr. Werninger offered as an amendment to the chapter, an act passed March 2d, 1868, entitled "an act to prevent the collection of taxes in certain cases."

ter and amendment were referred to the Judiciary Committee. Chapter 97, of games, was read the second time, and ordered to its third reading.

reading.
Chapter 98, when written evidence is required to maintain actions, was read the second time and ordered to its third reading. reading.

Chapter 99, of bills, notes, bonds, assignments and other writings, was read the second time. After some time spent in its consideration, on motion of Mr. Hoke, the chapter was laid on the table. Chapter 100, of partners, factors and agents, the action of account; and remedies for keeping live stock, was read the second time and ordered to onlo being the most palatable.

stomach, from a variety of causes as Indigestion, Dyspepsia, Nervous Dester, is very apt to have its function ged. The Liver, sympathiz. It does with the ch then be comes affected, the of which is

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cure, and benefited suffering humanity to a greater attent han any other remedies known to the public. These remedies will effectually cure Liver complaint, Janudice, Dyspepsia, Chronic or Normalint, Janudice, Dyspepsia, Chronic or Chronic of the Kidney and all Discaplesses of the Kidney and all Discaples and all Discaples and the Chronic of the Kidney and all Discaples are arising from any Cause whatever; PROSsulting from any Cause whatever; PROS FRATION OF THE BYSTEM, induced by Bevere Labor, Hardships, Ex-posure, Fevers, &c. There is no medicine extant equal to these medies in such cases. A tone and vigor is marted to the whole system; the appetite it rengthened, food is enjoyed, the stomach igests properly, the blood is prified, the omplexion becomes sound and healthy he yellow tinge is eradicated from the even, and nervous invalid becomes a strong and cealthy being.

(From the Washington Republican.)
On Monday, the 7th of December,
Congress will assemble. Completely
endorsed by the vote of the people, the
majority will go earnestly to work.
The election being over, its measures
will not be obnaxious to the charge of
partisan legislation, nor retarded by

partisan legislation, nor retarded by the factious opposition of a disappointed minority.

Assuming the responsibility, it will go forward with the method of reconstruction which the people have approved, and adopt some plan for the reduction of the taxes which they as earnestly demand.

ly demand.

It is fair to presume, from their obvious necessity, that the following measures will be considered at an early

measures will be considered at an early period of the session:

1. To secure the life, liberty, and property of loyal citizens in the States lately in rebellion, and to maintain the authority of the civil governments in those States.

2. The funding of the public debt at a rate of interest not to exceed four or four and a half per cent, by which means from thirty to forty millions of revenue will be saved to the tax payers annually.

3. The gradual resumption of specie payment, according to the plan of Sen-

ies and reduce the present minous cost arson in setting fire to the rooms of the latter to secure the insurance. of living.

4. More effectual means for the de-

tection and prevention of frauds in the management of the public business, and particularly in regard to the interand particularly in regard to the internal revenue.

5. The passage of the civil service bill of Mr. Jenckes, with perhaps slight modifications.

6. Asserting the right of eminent demain, by granting charters to build railroads for military and poet routed through the States adjacent to this capital, to the centres of trade in the different sections of the country.

7. Submitting to the States an amendment to the Constitution establishing impartial suffrage without regard to race or color.

race or color.

3. Increasing the salary of the President, Cabinet officers and heads of bu

These dwells at Ounmington, Mass. an liliterate quack named Bird, who spells lungs "loungues." and calls himself doctor. His favorite mode of treatment for chronic consumption is an entire abstimence from animal food and stimulants, a meager diet of toest and porridge and a continued daily purging with "Bird's pills," in order to purify the system; thereafter the swelling of the legs and feet he pronounces the best sympton possible, as being the disease going out of the toes. NEW YORK.

New York, November 28. New York, November 28.

Early yesterday morning, Wm. Arkansaw, keeper of a bagnio in Greene street, having some difficulty with Wm. Hall, who is barkeeper in a similar establishment, just opposite, procured a shot gun and shot his enemy in the arm, completely lacerating it. Arkansaw was arrested and committed.

The Democratic Union Executive Committee, at Masonic Hall last evening, nominated Frederick A. Conkling for Mayor, and Richard O. Gorman for the Corporation Council, in place of

for Mayor, and Richard O. Gorman for the Corporation Council, in place of John Kelley and Abraham R. Lawrence, declined.

The Constitutional Convention also nominated Mr. Conkling.

Schuyler Colfax, Vice President elect, is now solourning in this city. He spent Thanksgiving day in Brooklyn, the guest of Benjamin W. Delawater. In the evening an entertainment was given in honor of the Speaker and his wife, in which a large number of prominent citizens assisted, and the gentleman received many congratifiations on two of the events of his life, viz: his marriage with Miss Wade and his election to the Vice Presidency. Mr. Colfax will leave for Washington todsy.

A correspodent has had a conversa-

will leave for Washington to-day.

A correspocent has had a conversation with Congressman Boutwell, who
in answer to inquiries, statud that he
should advocate the exaction of more
stringent measures of reconstruction
in Virginia, Mississippl and Texas than
had been required from the other States.
He believed that specie payment can be
hastened only by advancing prosperity,
and not by legislation. As to the saffrage question he was of the opinion
that Congress had the power to declare
who may vote for Presidential electors,
Senacors and Congressmen, if not the
ower to regulate the entire question of

Chapter 101, of the relief of sureties, was read the second time, and ordered to third reading.
Chapter 102, of the action of detinue, was read the second time and ordered to its third reading.
Chapter 103, of action for injuries, was read the second time, and afterwards on motion of Mr. Carskadon, the chapter was laid on the table.
Chapter 104, of limitation of sults, was read the second time, and after its reading and pending the mution ordering to engrossment, on motion of Mr. Wilson the Senate took a recess until 2 p. M.

AFTERNOON SESSION.
The Senate re sesembled. Chapter 104, after the adoption of an amendment of fered by Mr. Farnsworth, was ordered to its third reading.
Chapter 105, sale of land for the benefit of the school fund, was read the second time, amended and ordered to its third reading.
On motion of Mr. Hoke, the rules were suspended and chapter 99 was taken from the table.
The same gentleman offered an amendment and supported it in a brief speech. Mr. Carskadon opposed the amendment, but it was adopted and the chapter ordered to its third reading.
Chapter 107, of conflicting claims to property levied on or in possession of a technical party, was read the second time, and ordered to its third reading.
Chapter 105, of swards, was read the second time and ordered to its third reading.
Chapter 105, of swards, was read the second time, and ordered to its third reading.

that institution up town, one reason for the removal is that property has became so valuable, and the gover-nors are unable to pay the assessment

The hair million gold sold by the government to-day, brought 35,351-100.

The Attorney General, Evarts, has forwarded to the President his opinion on the operation of the eight hour law, in regard to the compensation of employes he says, the law being silent on the subject of compensation and that the government officials are as liberty to use he says, the law being silent on the subject of compensation and that the government officials are as liberty to use their discretion in the matter, but that the law of equality which heresofore regulated the wages of government employees required that they shall receive the same compensation for the labor, as it is paid in private establishments in the vicinity. The flaw of 1888 does not fix the wages, nor does it require the government to pay ten hours wages for eight hours work. If citizens adopted such a course the government must do the same. As the law now stands it is left to the option of the government officials to pay the same wages as when men worked ten hours a day, or to reduce the compensation in proportion in reduction of the hours of labor.

Christian Garbins was sentenced this corning to be hung on the Siln of Dewerbine. Peter Leggett and James Meatt, gam-ers, were sentenced to the State, pris-
